

General Overview

SIM Interface	eSIM Card
Cellular network type	4G (LTE-1) and 2G
GNSS Antenna	GPS/ GLONASS
Location	GPS + Wifi location + LBS
Weight	34 g
Dimensions	101 mm × 177 mm × 4.7 mm

Sensors

-  Temperature
-  Humidity
-  Light
-  Motion
-  Shock
-  Battery Status

Technical Data

Battery type	Non Rechargeable Li-MnO2 1800 mAH. Lithium
LEDs	1 Power LED
Charging	Non rechargeable
Temperature range	10°C to +70°C
Humidity Range	0 to 99% RH
Protection IP Rating	IP54
Flight detection	Yes
Housing	Paper label

Battery life

A fully charged device with alarm reporting interval of 1-hour, the battery life of the device will be as shown in the following table:

Wake-up interval	Battery life
15 min	10 days
30 min	20 days
1 hour	39 days
2 hour	70 days
6 hour	>180 days
